InstaRelease™

DELIVERY TECHNOLOGY

No Injection Needed

InstaMed's oral dissolving strips leverage our InstaRelease™ delivery technology through the buccal membranes for mouth to body delivery without the need for injection.

- Convenient
- Pre-Dosed
- Easy to Use
- Fast Results
- No Water
- No Injection
- Improved Compliance
- Individually Packaged
- Travel-Friendly

BPC-157 | *REBUILD*

Description:

BPC-157 (body protection compound) is a regenerative peptide naturally occurring and isolated from human gastric juice. Celebrated for its potent healing and anti-inflammatory properties, BPC-157 works by enhancing blood flow, supporting tissue repair, and accelerating recovery from injuries.

Key Benefits:

- Accelerates muscle, tendon, and ligament repair
- Promotes bone regeneration and recovery
- Supports gut repair: IBS, IBD, ulcers, leaky gut
- Enhances endothelial function and nitric oxide production
- Acts as a senolytic for healthy aging
- Protects the liver from medication, alcohol, and toxins

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Joint, Bone, Brain & Gut Support	500mcg	1 strip 5 days/week 2 days off	30 days

CJC-1295/Ipamorelin | *STRENGTH*

Description:

CJC-1295 is a vitality boosting peptide that supports your body's natural production and release of growth hormone (GH) and IGF-1—two key factors for maintaining energy, muscle mass, and metabolic health. At age 30, GH levels begin to decline, leading to fatigue, slower recovery, increased fat storage, and reduced muscle mass. CJC-1295 helps reverse this trend by promoting lean muscle growth, improving endurance, optimizing metabolism, and enhancing recovery.

Key Benefits:

- Supports muscle retention for GLP-1 users
- Increases strength & stamina
- Boosts metabolism and fat burning
- Increases mental & physical performance
- Overall anti-aging benefits
- Promotes deeper, more restorative sleep

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Energy, Performance, Endurance, Muscle Mass	250mcg/250mcg	1 strip 5 days/week 2 days off	30 days

GHK-Cu | *BEAUTY & HAIR*

Description:

GHK-Cu is a copper-binding peptide known for its powerful skin-regenerating and anti-aging properties. It promotes collagen production, reduces wrinkles, enhances skin elasticity, and improves hair growth. With potent antioxidant and anti-inflammatory benefits, GHK-Cu helps repair and rejuvenate skin for a smoother, more youthful appearance.

Key Benefits:

- Increased collagen & elastin production
- Improves skin texture and tone
- Improve hair growth by stimulating hair follicles
- Enhances skin barrier function
- Reduced wrinkles and fine lines
- Has stem-cell like properties for regeneration and repair

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Skin Health, Hair Health	3mg	1 strip 5 days/week 2 days off	30 days

TA1 | *IMMUNE*

Description:

Thymosin-Alpha 1 is best known for its powerful role in regulating immune function. Derived from the thymus gland, this remarkable compound has the potential to address a wide range of health challenges. Research has explored its benefits for conditions such as acute and chronic infections like tuberculosis and cytomegalovirus, respiratory disorders, chronic hepatitis, and even cancer.

Key Benefits:

- Strengthens immune function and immune surveillance
- Supports antiviral, antibacterial, and antifungal defense
- Reduces inflammation
- Modulates overactive immune responses
- Aids recovery from illness, infection
- Optimize microbiome

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Acute, Chronic, Optimization	500mcg	1 strip 5 days/week 2 days off	30 days

PT-141+ | *INTIMACY*

Description:

Experience deeper intimacy, heightened desire, and a stronger connection with PT141+, a scientifically formulated blend of PT-141, Oxytocin, and Aminophenylpyrrole. PT141 is a powerful peptide known to enhance arousal and increase sexual desire in both men and women. Oxytocin is a bonding peptide that deepens emotional connection, trust, and intimacy. Aminophenylpyrrole supports mood, relaxation, and overall pleasure for a more fulfilling experience.

Designed to enhance both physical and emotional closeness, PT141+ helps reignite passion, boost confidence, and strengthen relationships. Whether you're looking to enhance intimacy or reignite the spark, this formula is your go-to for deeper connection and desire.

Key Benefits:

- Enhances arousal & desire
- Deepens emotional connection
- Supports mood & relaxation
- Boosts confidence & sensuality
- Improves overall intimacy

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Desire, Arousal, Circulation, Connection	1mg, 25mcg, 20mg	As needed 30-45 minutes before fun	10 Servings

NAD+ | ENERGY

Description:

NAD⁺ (nicotinamide adenine dinucleotide) is a vital coenzyme found in every cell, driving energy metabolism, DNA repair, and mitochondrial performance. NAD⁺ levels naturally decline with age, stress, and toxin exposure; leading to fatigue, slower recovery, and reduced cellular resilience.

Formulated as a fast-acting oral dissolving strip, NAD⁺ offers a needle-free, precision-dosed way to restore vitality and support longevity from the inside out.

Key Benefits:

- Promotes healthy cellular energy production
- Supports mitochondrial function and resilience
- Encourages DNA repair and healthy aging pathways
- Helps combat fatigue and support mental clarity
- Supports optimal metabolism and recovery
- Convenient, needle-free delivery with rapid absorption

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Energy, Anti-Aging, DNA Health	100mg	One strip daily	30 Servings

Glutathione | *VITALITY*

Description:

Glutathione is the body's master antioxidant and cellular protector, vital for detoxification, immune balance, and radiant skin. It plays a critical role in recycling other antioxidants like vitamins C and E, maintaining liver health, and defending against oxidative stress that accelerates aging.

Delivered as a rapid-dissolving oral strip, Glutathione+ offers an advanced, needle-free way to enhance antioxidant status and promote cellular radiance from the inside out.

Key Benefits:

- Supports natural detoxification and liver function
- Promotes bright, even-toned, glowing skin
- Helps neutralize free radicals and reduce oxidative stress
- Supports immune health and cellular repair
- Encourages collagen protection and skin clarity
- Aids in recycling antioxidants like vitamins C and E
- Enhances overall vitality and resilience

USE	DOSE PER STRIP	FREQUENCY	SUPPLY PER BOX
Cellular Health, Detox, Skin, Immune	80mg Glutathione 20mg NAC	One strip daily	30 Servings

ABOUT INSTAMED

Sarah Morgan
CEO & Co-Founder

InstaMed® was founded on the belief that pushing the boundaries of innovation fuels real progress in human health. Driven by a mission to transform how ingredients are delivered, we developed a patented buccal delivery technology that unlocks a powerful alternative to injection—making cutting edge peptides more effective, accessible, and widely adopted.

From our certified GMP facility in Salt Lake City, Utah, we specialize in developing and manufacturing cutting-edge buccal systems that enhance absorption, improve outcomes, and prioritize the health optimization for all.
